

SVR Community Center Task Force
Minutes
April 12, 2011

The meeting was called to order at 9:10 am at the Town of Star Valley Ranch Town Hall.

Present were: Ed Koch	Absent: Alycyn Culbertson
Kirk Sessions	Bob Byam
Kory Wheeler	
Mike Blackman	
George Toolson (via Skype)	

Community Participation: Boyd Sidoway

Kirk Sessions handed out new cost numbers for Option 1 (Replace Silo and Remodel Barn), Option 2 (Remodel Barn and Silo) and a new Option 2B (Remodel barn and Silo with additional square footage added to the Silo to match the square footage of a new Silo).

Discussion then moved to what might be the additional costs, such as parking lot modifications to meet Town code, further landscaping and signage. Mike will research the Town parking regulations and sign requirements.

The next Open House Sessions scheduled for May 11 and May 14, 2011, were then discussed and whether or not enough time was available to have something new to discuss. Since these meetings were actually to allow for input from those people who leave for the winter, no change to the schedule is needed. The meeting scheduled for June 25 during the SVRA Annual Meeting will provide for a more complete floor plan as well as front and side elevations and an actual model for view and further discussion.

The proposed input form to be placed near the current drawings located in the Town Hall and Association offices was discussed. It was decided to use the form suggested by Kirk with the addition of a comment line to discuss the current floor and room plans.

Discussion was then moved to what would be presented at the Town Council meeting April 12, 2011. It was decided that only a summary of the current status for the committee would be presented instead of a full presentation. Mike will present this portion instead of Kirk. Kirk did inform the group that he is still getting responses to our first survey and now has over 375 responses.

Questions were then discussed for what should be included on the next public survey. The notes from the two Open Houses were reviewed and some questions were developed. Other questions were also developed to try to clarify responses to the first survey. Korry Wheeler will attempt to put the first draft of the survey and distribute it to the group, and in addition will put together a draft of the communication of what has been accomplished since the last informational mailing.

Timing for the applications was discussed briefly and the form received from Elaina Zemple on April 8, 2011. This form indicates that the Community Facilities Grant and the Business Readiness Grants are due December 1, 2011, and the Community Readiness Grant is due September 1, 2011.

The next meeting was scheduled to be on Tuesday April 19 at the Town Hall at 9:00 am.

The meeting was adjourned at 11:40 am.
