

Star Valley Ranch Association

A New Step Forward

A number of years ago Cedar Creek and Aspen Hills Golf Courses purchased new wooden tee box signs with vinyl stickers that included the layout of the hole and the yardage from each tee box.

Thanks to the generosity of the members of Star Valley Ranch and their purchase of name plaques, we were able to have the yardage markers that have served us well.

Since the time of their purchase, these markers have experienced significant damage from exposure to the elements. The stickers are peeling off and the company that has the artwork to resupply them has since ceased to make them. The posts that hold up the signs have been eaten away and in some cases have broken. Even the wood itself is starting to weather.

It has become necessary that we replace these signs. After much thought and research we have decided that a more permanent solution would best serve our courses. A program that implements the use of boulders and granite blocks as course markers will be utilized.

Because of the major cost associated with the implementation of this program, it is necessary that we again provide the opportunity for our members to purchase personalized markers.

While we understand and appreciate that some feel their purchase of the name plate had no expiration, we hope that you will understand the necessity of this new program. If you have any questions please don't hesitate to call us.

The current tee box signs, with their associated name plaques will be kept on the course until they are replaced by a purchased tee box boulder.

Announcing

SVRA FAMILY LEGACY GOLF COURSE PROGRAM

Create a legacy your family will always enjoy.

The Star Valley Ranch Association Family Legacy Golf Course Program was designed to give members the opportunity to personalize yardage markers on the golf course.

This program is a self-funding program and all money will go to purchasing, placing and maintaining the new yardage markers.

We will be using Tee Box Signs, Tee Box Yardage Markers and Fairway Yardage Markers to help mark our course.

The purchase of a marker will be a one-time fee and will include the price of the stone, the engraving, delivery, installation, maintenance (and possible future replacement if necessary).

Markers will be sold on a first come first serve basis. Each marker will have only one inscription on it.

Tee Box Boulder \$600.00

Tee box yardage signs are sandstone boulders with a natural back and smooth face of approximately nine square feet. They will be placed near the back tee box on all 27 holes. The picture above is an example of what the boulders will look like. You may personalize the boulder with a maximum of 20 characters on each of two lines. The letters for the personalization will be 1.25" in height.

Tee Box and Fairway Yardage Markers \$75.00

Tee Box and Fairway Yardage Markers are granite blocks that are installed flush with the ground on each tee box and the fairways at 100, 150, 200 and 250 yards from the center of the green on all 27 holes. The face of the block is 6" tall and 12" wide. It will feature the official yardage from the marker to the center of the green. The picture above is an example of what the marker will look like. You may personalize the marker with a maximum of 20 characters on each of two lines. The letters for the personalization will be .75" in height.

Aspen Hills Junior Tee Box Marker \$75.00

In order to make Aspen Hills a more family friendly course, junior tee markers will be implemented.

These tee markers will be placed on the side of the fairway in a spot that will make the hole play more realistically to par for juniors. These markers will be 6" tall and 12" wide. It will feature the official yardage from the marker to the center of the green along with a junior program emblem. The picture above is an example of what the marker will look like. You may personalize the marker with a maximum of 20 characters on each of two lines. The letters for the personalization will be .75" in height.
