Kurt and Ernie have been working together to maintain our groomed trails and sledding hill. We hit a bit of a snag this winter when the snowmobile had some issues with some seals. The seals have been replaced and the snowmobile is now up and running. For the remainder of the winter we will continue to groom 18 holes on Cedar Creek for snowshoeing and cross-country skiing. We will groom Aspen Hills #1 for sledding. Grooming is done as weather and staffing allow. There is no schedule for grooming.

SVRA Staffing Changes:

With the departure of Ryan Nielsen, who left to pursue other employment opportunities closer to his home in Afton, a void was left in the SVRA Admin office. After 3 weeks of advertising and interviewing a great candidate has been chosen.

I am pleased to announce that Kimberly Hunter has been hired for the the position of Accounting/Business Information which will bring us back up to full staffing levels here in the office at SVRA. Kimberly has extensive accounting, advertising, and hospitality experience that I know will make her a strong contributor in meeting our goal of providing outstanding service to our members. I fully expect that the financial records will continue to be managed and maintained in an exemplary manner. Kimberly will be happy to handle any inquiries regarding assessment billings/payments and vendor payments. Feel free to stop by the office and introduce yourself!
