In accordance with the purpose held by the Star Valley Ranch Association Board of Directors, as cited within Article VIII Section 1 (b) of the governing By-Laws, the Directors so declare the following;

Smoking is strictly prohibited inside any building within the bounds of the Association's jurisdiction or within a minimum distance of twenty-five (25) feet, in any direction, from any and all Association owned, rented or leased property, facility and recreational entrance(s).

Signage of the smoking restriction will be posted on the exterior wall(s) adjacent to a facility entrance(s) indicating the minimum prohibitive distance of twenty-five (25) feet.

The term 'Smoking' will include, but is not limited to the use of tobacco products including: cigarettes, electronic cigarettes (used with or without nicotine), cigars, pipes, smokeless tobacco, hookah, other products containing tobacco or nicotine any plant product intended for inhalation (such as marijuana), a natural or synthetic tobacco substitute, a natural or synthetic flavored tobacco product, or any product intended to circumvent the prohibition of smoking in this policy.
